++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and wintry showers.

Today:
A day of sunshine and wintry showers. Outbreaks heaviest and most frequent through the morning and across Shetland, with the weak wintry sunshine increasing into the afternoon. Cold in the brisk northerly winds. Maximum temperature 5 deg C (41 deg F).

Tonight:
Wintry showers continuing across Shetland, but largely dying out over Orkney from midnight. Light northerly breezes allowing widespread frost and ice away from windward coasts. Minimum temperature -4 deg C (25 deg F).

Thursday:
Further wintry showers, these quite frequent and heavy at first over Shetland, otherwise isolated and light with plenty of weak winter sunshine. Northerly breezes. Maximum temperature 5 deg C (41 deg F).

Outlook for Friday to Sunday:
Sunshine, wintry showers and strong northerly winds Friday. Further brisk northerlies and wintry showers Saturday, but outbreaks lighter, more isolated. Sunday uncertain but further showers probable, with winds turning southerly.
